STAY SAFE THIS SEASON

Help keep holiday moments merry by making sure safety is top of mind.

- While holiday shopping, keep bags in your trunk and don't leave valuables in plain sight.
- Some decorations can increase the risk of a home fire, especially if not monitored and used properly. Check light strings for signs of wear before decorating, and always unplug holiday lights before going to bed. If using a real tree in your holiday decorations, water it daily.
- Before traveling over the holidays, make a plan to have a trusted friend or family member check on your home and bring in mail. Lock all doors and windows before you leave.
- Following the festivities, gift boxes can serve as billboards for criminals driving through your neighborhood, and a dry tree poses a fire hazard. To enhance public safety, the City of Tallahassee will

set up recycling sites in three community locations for cardboard boxes and live-cut Christmas trees. Follow @CityofTLH on Facebook for recycling site details.

Sustainability Tip

Help keep your home cozy and warm without bumping up the thermostat by opening curtains and blinds on sunny days and closing them at night to keep in the heat.
